

January 6<sup>th</sup>, 2020

Dear Valued Customer,

We are excited to announce that Wilson Wolf is moving to a new and much larger location March 27<sup>th</sup>, 2020, which greatly expands our G-Rex production capacity. We will continue to provide the same high level of quality products and technical support that you have come to rely on. Our move will allow Wilson Wolf to offer an even larger selection of products soon, while also ensuring off-the-shelf product availability as your organization scales up and scales out with patient demand. As the manufacturer of G-Rex products, we realize continuity of supply is of the utmost importance to our end users and so we are taking measures to ensure a smooth transition. Qualification for production at the new site is underway.

The following products will be manufactured at the new location after March 27<sup>th</sup>, 2020:

- G-Rex24 well plates, #80192M
- G-Rex6 well plates, #80240M
- G-Rex6M well plates, #80660M
- G-Rex5M, #80055S
- G-Rex10, #80040S
- G-Rex10M, #80110S
- G-Rex10M-CS, #80110S-CS
- G-Rex500M, #85500S
- G-Rex500M-CS, #85500S-CS
- EZ Flask, #81000

G-Rex100 series products (G-Rex100, #80500; G-Rex100M, #81100; G-Rex100M-CS, #81100-CS) will have no change to current manufacturing operations. Our phone number and email address are still the same: +1.651.628.9259, [info@wilsonwolf.com](mailto:info@wilsonwolf.com).

Please do not hesitate to reach out to us with questions.

Best Regards,

Wilson Wolf Manufacturing Corporation
